Overview

Brianna has a passion for serving others and building meaningful relationships with those she is working for and with. She understands the importance of listening to clients to best serve their needs and working efficiently to reach desired goals.

Before joining BMD, Brianna clerked for both a nationwide full-service law firm and a Columbus-based litigation firm. Throughout her third year of law school, Brianna worked as a law clerk for BMD. She has assisted in drafting motions, briefs, and memorandums for filings at the state and federal level. These experiences also helped hone Brianna's strong legal research skills.

Brianna also served as a judicial extern for Justice R. Patrick DeWine at The Supreme Court of Ohio. There, Brianna gained valuable insight into the Ohio judicial system, understanding appellate procedure and the art of oral argument.

In her free time, Brianna enjoys walking at the Columbus Metro Parks and spending time with her fiancé and their new Australian Shepherd puppy.
