

Jack T. Diamond

Chief Executive Officer

Jack T. Diamond is a renowned, industry leader in innovative health care strategies, solutions, and developments. Jack has participated in and led hundreds of global health care projects including the creation of entire hospital campuses, clinical centers of excellence, surgery centers, physician hospital organizations and health management organizations. When health care leaders need a creative solution to a pressing problem they call Jack. As co-founder of the American Bar Association's Health Law Section and principal of numerous health care related businesses, Jack recognizes what works in health care in order to navigate the ever changing and complicated regulatory framework of the health care industry.
